

Student Complaint Information by State

Students should follow the complaint process established by Bastyr University, as published in the *Student Handbook* on the University's intranet MyBU at <https://mybu.bastyr.edu/StudentAffairs/StudentHandbook/tabid/442/Default.aspx>. Prospective students may access the University's complaint process at www.bastyr.edu.

If the institutional complaint process remains unresolved, students should then contact the Washington Student Achievement Council (WSAC), the University's responsible state agency, at <https://wsac.wa.gov/student-complaints>.

California students may also contact the Bureau for Private Postsecondary Education at any time to file a complaint. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet website: www.bppe.ca.gov (also listed below).

Students enrolled in an online program should contact the Washington Student Achievement Council at <https://wsac.wa.gov/student-complaints> unless they reside in one of the following states/territories:

California	Bureau for Private Postsecondary Education	http://www.bppe.ca.gov
North Marinas Islands	The Commonwealth of the Northern Marinas Islands	rita.sablan@cnmipss.org

Bastyr University offers distance education as a member of NC-SARA (National Council for State Authorization Reciprocity Agreements). Information about NC-SARA and the student complaint processes for programs offered under NC-SARA may be found at <http://nc-sara.org/>.

States and territories that are members of NC-SARA are indicated below in GREEN. States and territories that are not members of NC-SARA are indicated below in ORANGE.

The information outlined below is based, in part, on the SHEEO (State Higher Education Executive Officers) "Compendium of (State Authorization) Laws and Regulatory Practices," with support from WCET's (WICHE Cooperative for Educational Technologies) State Authorization Network. SHEEO and WCET collaborated in directing the work of NCHEMS (National Center for Higher Education Management Systems) in gathering, updating and compiling most of this information. Other information was compiled from the NC-SARA and individual state or district websites.
